

# HOPE

*a retreat for grieving parents*

 April 12-14, 2024

## ABOUT

Muskoka Bible Centre is offering a unique retreat for bereaved parents. Our retreat facilitators, David and Lisa Elliott, have a genuine understanding of grief as they have lost their own son, Ben, in 2009. They come with personal experience, Biblical teaching and practical tools that will help you navigate steps toward healing and hope on this unpredictable journey. We welcome parents to join in this safe space with others who understand the devastation of losing a child. Our prayer is that you will return home connected to others, encouraged and reminded of God's faithfulness.

Please Note: This retreat is designed for couples or singles who come with support.
