

MEN'S BREAKAWAY FORWARD

Coming May 24-26, 2024

YOU CAN NOW STAY IN THE CAMPGROUND!

God calls men to be the head of their household and to lead with wisdom and truth. Our world today is increasingly pushing biblical manhood to the side – it can be confusing for guys to figure out what to do and how to lead in a world like this. Men's Breakaway | Forward is all about countering that message of passivity and giving up – join us for a week in the incredible beauty of Muskoka as we tackle hard questions, fighting for truth while loving graciously and leading well. Whether you're looking for a weekend away with a group of men or to connect with your son or father, our plan is to encourage you while you deepen your commitment to God and build godly community and friendships.
