

Back of Beyond Equine Centre is a Christian horse farm serving the Muskoka community. We strive to proclaim the gospel of Jesus Christ through horses, faith in action, prayer, and the power of the Holy Spirit. Back of Beyond is a sanctuary for rescued and retired horses; a place where they are dearly loved, well cared for and where they can live out their days in peace.

Private Winter Sleigh Ride and Campfire

Start your family's private adventure with a guided tour of our horse farm to meet the resident horses and ponies and hear their stories. Then pile under blankets aboard one of the classy red sleighs and take off into a magical winter wonderland along our private woodland trails. End your sleigh ride at a crackling private campfire to warm your toes while sipping hot chocolate and roasting marshmallows.

The sleigh ride itself takes about 35 minutes. The complete experience is approx 1 to 1.5 hours in total including the campfire and farm tour.

Private Romantic Evening Sleigh Ride and Campfire

Picture yourself and someone special tucked into a cozy red Dr. Zhivago sleigh, piled high with blankets behind a big black Percheron or a cute cuddly Fjord. Glide through the woods on snow-covered trails lit with glowing lights and lanterns and sense how the forest has a special feeling at night; peaceful, mysterious and tranquil. End up at a crackling private campfire where a warm beverage awaits.

Roast some marshmallows and warm your toes.

The sleigh ride itself takes about 35 minutes and you can stay at the campfire as long as you like.
