# SALT

## SKILLS AND LEADERSHIP TRAINING

Training resilient, Christ-centred helpers to be leaders through adventure, discipleship, and service.

**FOR AGES 14-17**

Widjiitiwin's SALT Program provides a remarkable experience to shape youth into servant leaders. Designed as a transitional program, participants grow into leaders for camp and future ministries. Applicants will take part in four weeks of in-ministry camp fun, training and service, where campers have the opportunity to develop their ministry leadership skills.
