# PROGRAM GUIDE

THEME: COMMUNITY

**MBC**

MUSKOKA  
BIBLE  
CENTRE

# Welcome to MBC Summer 2024!

Our team is thrilled to present a summer experience that has been intentionally designed not only for fun and family time but also for building your family's resilience as you become more firmly rooted in biblical truth.

Our theme this summer is 'Community'. It is our desire for you to experience rich fellowship within your family and with other MBC guests; a fellowship built around common truths expressed in scripture. In Colossians, Paul presents a firm foundation on which to build healthy community:

*Put on then, as God's chosen ones, holy and beloved, compassionate hearts, kindness, humility, meekness, and patience, bearing with one another and, if one has a complaint against another, forgiving each other; as the Lord has forgiven you, so you also must forgive. And above all these put on love, which binds everything together in perfect harmony. And let the peace of Christ rule in your hearts, to which indeed you were called in one body. And be thankful.*

- Colossians 3:12-15 (ESV)

Our prayer is that your time at MBC this summer will help you and your family develop a strong biblical community, both here at MBC and also at home. We believe this will be a great testimony to the goodness of God.

I would also like to invite you to consider joining us as a financial partner in the bible teaching and outreach initiatives of MBC. More information can be found at [www.muskokabile.com/foundation](http://www.muskokabile.com/foundation).

May your experience at MBC be a great encouragement in your faith and family journey.

On behalf of the MBC Team, I welcome you!

**John Friesen**

**Chief Executive Officer**

# Volunteer at MBC

**There are many ministries, activities and events at MBC that are blessed by the hard work of volunteers. If you have time to spare this summer, why not invest in the place that you love?**

Here are some great examples of ways that you can serve:

- Sell and collect tickets or do some grilling at our weekly Saturday BBQs
- Participate on a music team at Chapel
- Be on a special events team to help run events like Bookstore sidewalk sales or Campground social events
- Count cash in the mornings
- Serve food in the Dining Room
- Scoop ice cream in the Hub
- Quality check for housekeeping on Saturdays
- Help with Kids Ministry on weekday mornings
- Lend a helping hand to guests at the Marina or Ranch

## Widjiitiwin Opportunities

Camp Widjiitiwin also offers some unique volunteer opportunities. Partner groups come in for one week sessions, so most of these opportunities involve a one-week commitment to the role. With this commitment comes the reward of serving these important communities as they give their youth the week of a lifetime at Widjiitiwin. Here are some key volunteer jobs:

- Billet a Widjiitiwin volunteer in your cottage/trailer for a week
- Prepare and serve food in the kitchen
- Help with the grounds and facilities on a maintenance team
- Be a cabin leader and get to know the youth as you live in the cabins with them and guide them through their daily schedule

*To show our gratitude for the time and energy that you are investing into the MBC community, we track your volunteer hours and offer one meal voucher for every 10 hours served. Students may also request to have their hours tracked to count towards the community involvement hours required for high school.*

To find out more about all volunteer opportunities and sign up today, please visit us at [www.muskokabile.com/volunteer](http://www.muskokabile.com/volunteer)

# Memory Verse of the Week

## COMMUNITY

### **Week 1: Colossians 3:12-15**

Put on then, as God's chosen ones, holy and beloved, compassionate hearts, kindness, humility, meekness, and patience, bearing with one another and, if one has a complaint against another, forgiving each other; as the Lord has forgiven you, so you also must forgive. And above all these put on love, which binds everything together in perfect harmony. And let the peace of Christ rule in your hearts, to which indeed you were called in one body. And be thankful.

### **Week 2: 1 Peter 2:9**

But you are a chosen race, a royal priesthood, a holy nation, a people for his own possession, that you may proclaim the excellencies of him who called you out of darkness into his marvelous light.

### **Week 3: Galatians 5:22-23**

But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law.

### **Week 4: Ephesians 4:32**

Be kind to one another, tenderhearted, forgiving one another, as God in Christ forgave you.

### **Week 5: 1 Corinthians 13:13**

So now faith, hope, and love abide, these three; but the greatest of these is love.

### **Week 6: Ephesians 2:17-19**

And he came and preached peace to you who were far off and peace to those who were near. For through him we both have access in one Spirit to the Father. So then you are no longer strangers and aliens, but you are fellow citizens with the saints and members of the household of God

### **Week 7: Acts 4:32-33**

Now the full number of those who believed were of one heart and soul, and no one said that any of the things that belonged to him was his own, but they had everything in common. And with great power the apostles were giving their testimony to the resurrection of the Lord Jesus, and great grace was upon them all.

### **Week 8: Philippians 2:3-5**

Do nothing from selfish ambition or conceit, but in humility count others more significant than yourselves. Let each of you look not only to his own interests, but also to the interests of others. Have this mind among yourselves, which is yours in Christ Jesus.

### **Week 9: Hebrews 10:24-25**

And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near.

## MUSKOKA BIBLE FOUNDATION

At MBC, we believe that a significant part of our vision of growing resilient, biblically rooted families and young people will be realized as we create experiences that foster true biblical community.

When you think of over 17,000 guests annually experiencing this significant factor of faith formation, you can begin to understand the value of MBC to the Kingdom work of God here on earth.

**I can confidently invite you to invest in this ministry knowing that your investment will yield Kingdom impact to the glory of God.**

**Muskoka Bible Foundation (MBF) supports the ministry activities that take place at MBC. The target for annual ministry donations for MBF in 2024 is \$900,000.**

These funds are used to cover ministry expenses and outreach initiatives that are not covered by any fees; including our summer adult, kids, and youth ministry as well as specialty retreats designed to encourage families going through difficult pain points. \$400,000 of this total is directed to support the cost of some 300 youth coming to a Christ-centred camp experience through our Widjiitiwin partnership program.

### **But there's more!**

We are also investing in two projects to improve our youth discipleship ministry. The first is a renovation of Founders Hall. This twenty-year-old building has served us well but without any significant improvements over the years it is showing its age. The dormitory, along with teaching, community, and office space, is the hub of our youth community. The renovations include new flooring, paint, furniture and perhaps most importantly for the youth, a new HVAC system with air conditioning in all the public areas. The total cost of this is projected at \$300,000.

---

The second project is smaller in scale but perhaps no less significant. Our SALT (Skills And Leadership Training) program participants need their own teaching and community space. This program at Camp Widjiitiwin is an intense four-week leadership and discipleship development experience that has been transformative to hundreds of 14- to 17-year-olds. Now that we have restarted this program (post-Covid), we are recognizing the urgent priority of providing these students with a better space to learn and grow in community. Until now they have used makeshift spaces— tents, musty basement rooms and whatever else was available. Our plan is to build a pavilion-type building with enclosed teaching and open community space. Nothing fancy but something functional and inspiring to a group of future leaders. The expected cost of this is \$150,000.

Can I ask you to prayerfully consider investing in our annual ministry as well as these two projects? We currently have about 650 “builders” who undergird this ministry each year with their financial gifts. We know that more than 2,500 families experience MBC just in the summer alone. Will you step up as one of our builders in 2024?

To those who have already invested as God has enabled you, I give my heartfelt thanks on behalf of our board, our team and the guests who are the beneficiaries of your investment. May God receive the glory as we work together for His Kingdom.

**John Friesen**  
**Chief Executive Officer**

You can find out more information and give online at:

You can also give at the Main Office or in the various chapel offerings that are received during the week.

**WIDJIITIWIN**  
HELPING ONE ANOTHER

**Widjiitiwin is one of MBC's streams of impact that fulfills Muskoka Bible Centre's vision by partnering with community leaders in priority neighbourhoods providing children, youth, and families with camp and retreats to help them experience life changing and lasting transformation through encountering God's great love for them.**

The name 'Widjiitiwin' is an Ojibway phrase meaning 'to help one another'; the very thing we hope our Widjiitiwin program will be.

Muskoka Bible Centre (through the Widjiitiwin program) works with community partners in the following areas:

- Malvern
- North York
- South Etobicoke
- Guelph
- Hamilton
- Scarborough
- Young Parents GTA

In 2024, we are launching an Open Enrollment week to make camp available for families in the MBC community, the children of Widjiitiwin alumni, and beyond. Our hope is to share the joy of camp and create a sense of belonging for all. We are also partnering with MBC retreats to further our mission throughout the year. Our goal is to address specific needs in families from our partnership communities.

As a part of the MBC community, we invite you to get involved in this important ministry by praying for us, giving financially through Muskoka Bible Foundation or even by volunteering at camp during one of our seven weeks.

For more information, visit:

[www.muskokabible.com/widjiitiwin](http://www.muskokabible.com/widjiitiwin)

## Did You Know?

Widjiitiwin is the home of MBC's youth leadership training program!

As Widjiitiwin campers and MBC youth grow, we want to help develop them into young leaders who will change the world. Our SALT (Skills and Leadership Training) program is an open enrollment 4-week course for youth ages 14-17 who are interested in developing the skills needed for working at camp, other departments at MBC and in life. If you've got a young person in that age bracket, we'd love to talk to you!

As a part of the MBC community, we invite you to get involved in this important ministry by praying for us, giving financially through Muskoka Bible Foundation, or even by volunteering at camp during one of our seven weeks.

*"SALT changed my whole life. It made me a stronger person by putting me through things I would never have gone out and done by myself. My faith became stronger by being surrounded by faithful people like my SALT leaders."*

# Immerse

**Immerse is MBC's spring and/or summer youth discipleship experience, which aims to bring youth and young adults towards maturity in Christ.**

Through the program, Muskoka Bible Centre recruits and enrolls over 125 youth and young adults (ages 15 to 25 years old). It is our hope to build up a new generation of God-directed leaders and equip all participants to actively serve the Lord in their home communities.

*"I have grown up coming to MBC and attending Kids Min and Youth Min for many years. 2022 was my first summer working in the Stepping Stones program (now called "Immerse"). I didn't know many people to begin but as soon as I arrived, I was able to make friends and connect with people.*

*Throughout that first summer I really grew in my walk with God though one-on-one meetings and learning from older students and teachers. I would really encourage others to attend chapel sessions and one-on-ones if they could because that was something I really benefited from. The community surrounding the summer students and living at Founders Hall is also pretty awesome. My second summer serving at MBC, I worked in the Widjiitiwin program. I really enjoyed staff chapels and hanging out with the other staff. If you are considering working in the Immerse program, go for it! It will be one of the most memorable summers you'll ever have."* - Sam (Kenobi)
