# Marriage in **MINISTRY**

MBC invites you to our Marriage in Ministry Retreat, in partnership with Broomtree, a clinically informed, Gospel-centered counselling ministry led by Matt King.

This retreat is a space for couples in ministry to step back, reconnect, and refocus. We'll explore key areas of marital health such as intimacy, emotional connection, parenting, and life in ministry while gaining practical tools for communication, boundaries, and joy.

Come be refreshed, encouraged, and equipped for the journey ahead together.

## **TEACHER: MATT KING**

*Matt King is the Executive Director of Broomtree Care and senior pastor at North Church in Bracebridge. He's passionate about helping hurting people and brings a mix of hope and humour to his care. Matt is also a husband, dad of four, and finishing his clinical counselling training at Tyndale.*
