*MBC provided an optimal location for our youth retreat this year. The staff were all friendly and helpful. The food was amazing- even accommodating one of our students who is gluten free. The private campfire set up for us was beautiful and provided just the right setting for our group to come together and worship the Lord. The general campfire the next evening was equally inviting. And the many activities available (the gym, beach and waterfront sports/activities) ensured our young people always had plenty of options. Our youth bonded in the meeting room while worshipping the Lord, hearing from God's Word, and sharing their testimonies. The rooms were clean and comfortable. We would 100% recommend MBC for youth retreats. Thank you so much!*
