

GRIEVING PARENTS RETREAT

Muskoka Bible Centre offers a biblical, Christ-centred retreat for grieving parents, grounded in Romans 15:13 and designed to foster hope, healing, and peace. Through practical teaching, discussion, music, and a small retreat size, couples or supported single parents are gently guided toward perspective and renewal.

9-11 | April
2027

Hosted by David and Lisa Elliott, who lost their son Ben in 2009, the retreat is led by wounded healers sharing from lived experience.
