COUPLES GETAWAY

JANUARY 15-17, 2027

If you are looking for a romantic retreat near you, look no further. MBC is proud to offer this Christian retreat designed solely for couples. Couples Getaway is a weekend for couples to get away from their daily obligations and reconnect. It is a time away to play together through activities provided, to grow together in Christ and to worship together with song and teaching.

Teachers: Gene and Carol Kent

Founders of Speak Up Ministries and authors of more than 30 books, Carol and Gene Kent bring a message of hope, resilience, and God's grace. Through their own journey, they encourage others to find staying power and joy in the midst of life's challenges. Go to www.muskokabible.com/retreats for more about the Kents.

Music: Brandon and Krystal Stephenson, with Mitch and Amanda Dellandrea

Brandon & Krystal and Mitch & Amanda serve on the worship team at North Church, bringing a genuine love for Jesus, music, and helping others draw closer to God. They're excited to lead you into a weekend of worship, connection, and encouragement.
